THAT FOR A
SHALLOW AND

THINK.

EVEN IF THEY
KILL THEM,
FEILONG
DOESN'T GAIN
ANYTHING.

STOP IT RIGHT
NOW. YOU'RE

KNEW THAT

DOESN'T
KNOW...HE ONLY

IS THAT
SO...THERE IS
INFORMATION
ABOUT BLACK-

GLERS AND
MEDIATORS ON
THAT DISC.

DOES FEILONG'S
ORGANIZATION
KNOW THE CON-
TENTS OF THE
DISC THEY ARE
TARGETING?

CAN YOU DECIDE
WHOSE LIVES
ARE MORE
IMPORTANT,
THEM OR YOUR
COMRADES...?

IF WE HAND
IT OVER TO
FEILONG, DO
YOU KNOW
HOW MANY
PEOPLE ON
THAT DISC
WOULD LOSE
THEIR LIVES...

I DON'T

THAT IT'S
OKAY.

THEY... AND
FEILONG... ARE
NOW INVOLVED.

YOU
SHOULD
ALSO
PROPERLY

WHAT I
HAVE TO
SAY.

ARE THEY
REALLY THAT
IMPORTANT?

BUT...IF I DON'T
GO SAVE MY TWO

I WAS THE ONE
THAT GOT THEM
TANGLED UP IN
THIS. IT'S ONLY
NATURAL THAT I
TRY TO SAVE
THEM...

IF YOU ARE
WORRIED, THEN
LISTEN TO MY
REQUEST.

IF THAT'S THE
CASE, THEN I
CAN'T ALLOW
YOU TO GO.

YOU'RE
TREMBLING.
THE TRUTH
IS YOU CAN'T
HELP BUT
BE SCARED,
RIGHT?

YEAH, I'M
SCARED...

I'M DIFFERENT
FROM YOU. SINCE
I'M NOT USED TO

STUFF, OF COURSE
I'M GOING TO BE

Don't worry, it's a only personal one.

Yes

Chou, you came here from Hong Kong about a week ago, is that right?

No, it's just that I ran into a bit of trouble on the way here.

Oh, that's rare coming from you. Are you having some kind of problem?

It seems that Feilong is here in Japan as well.

...Feilong so he's not wind of that already.

I finally got it a new pair of glasses. After 20 years.

やまねあやの先生

Because we
arrogated one
of his biggest
business.

They got
quite a huge
damage.

Actually, we
had a kind of
dispute with
him back in
Hong Kong.

I see.
So he came
to Japan to
look for you.

I don't wanna
get killed by him
just to show off
his power but I
wonder how he
knew about me
coming to Japan.

That's why
I'm asking
you to
arrange
my trip to
Europe.

But please
have no
worries.

I erased every
trace of me
in Japan so
he wouldn't
find me.

If that's the
case, it was a
bad idea to come
here tonight.

Fer-Lons damn
him. Was he
trying to nail me
just 'cause he
wants to know
where Chou is.

I gotta
move
Takasa
somewhere
far away.

This is
worse
than I
imagined.

Asami
where
the hell
did you
go?!

HE GOT ME...
SHIT!

He gave
me SOPOR-
NAC!

DAMN!!
THAT
BASTARD!

pant pant

! Kou
called me
many
times
earlier!

What do I
do? It's
already 4am
and I'm
still here.

Oh yeah!
the cell!

Shit! Both of
them are not
answering..!

I gotta
calm
down..

Oh yeah,
at that
time—

It seems that Asami was waiting for a call from someone in this hotel room.

I sneaked a look at his cell when he was showering. But

You're so persistent! Get off of me already!

creak

He must've gone to that place that was mentioned in that message.

W-who is it?

W-where's
Kou and
Taketo?

Are
they...?

I thought
you got
cold feet
and ran
off to
some-
where b/c
I couldn't
get a hold
on you

Just like I
thought, it
was impossible
for you to
steal it from
him from the
beginning...
well at least
now he's
making a
move.

You satisfied him
enough in bed,
didn't you. I
suppose you could
at least ask
where he was
going?

Wha...

BLUSH

I thought
I already
told you
the time
limit.
Fine, I'll
give
another
chance.

Did Asami say
something in
bed? If u know
something,
you'd better
tell me now

STRIKE

Don't tell me
you were just
dining onto
him?

Man, t-that
hurt really

Akihito

We tried
to escape
but failed!

I'm so sorry

Hey what
did you do
to my
friends!?

I won't let
you get away
unhurt if you
did!! Bastard!

Asami will come
for sure as
long as you're
in my hands.

I guess I don't
need them
anymore.

BUZZ
BUZZ

Kou!
Takato
!

Are you
two all
right?!

Even if I know
something, I
won't tell you
unless you guar-
antee the safety
of those two.!

H-hold on!

Then I will
release one
of them here
right now.

..fufufu I
see.

I guess I underestimated you...

Don't you wanna know where Asami is?

What are u talking about! Release both!!

Otherwise, there's no need to have this deal!

Fine

Is that okay with you?

I'll let them get a taxi

But right now I don't have any other option...

What do I do now.. if I told them the truth, they'd definitely do something to Asami.

.....

The place is
To-Oh Hotel
Room#3073..

—Asami got a
message from
someone
earlier.

—Because
of me,
Asami will
be in
danger..

Asami.

They're not here.?

BANG

Let's get out of here while my men stop them.

Don't leave my side.

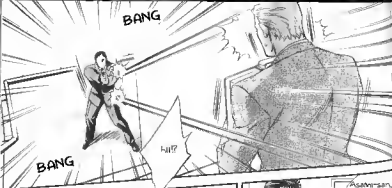

I'm counting on you. They're a merciless bunch.

They plan to hang up my dead body in front of my group's office.

—So they came, just like I thought.

It's dan-
gerous
inside.

Get-chek.

Wait,
Chow!

We can't go
down using
the emer-
gency stair-
case, let's go
inside.

Asahira-san,
there is
more coming
from down-
stairs!

BANG

BANG

Chow,
just stay
where
you are!

We gotta
take of
here first!
Otherwise
we'd get
surrounded

—It's
me

I think
Chou
went
down by
the ele-
vator

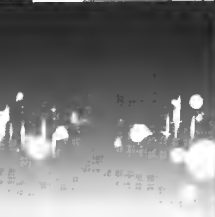

thud

There's one
elevator stop-
ping on the
10th floor.

All right, you
guys go
there from

EVEN THOUGH

EVER SINCE
THE NATIONAL

IN HIGH

THERE HADN'T
ONCE BEEN
A TEST THAT
I BEAT HIM IN.

JUST BECAUSE
THAT GUY'S SON
WAS TOP RANKED

ENTRANCE
TO THE SCHOOL,
THE MEDIA SEEMS
TO BE MAKING
SUCH AN
UPPOWL.

KEIRICHIOU, EVEN
THOUGH YOU'RE

WHY CAN'T

Yamane Sensei Speaks!! · Takaba Akihito Version-

■ **Favorite Scene** The part in "Fox" where after being shot at by Fel Long, he hides behind Asami's back. That part, though it looks like Asami stood in front to protect him, Takaba actually hid behind Asami. The image for Takaba in that scene comes from this rabbit I had in junior high school...It was called Usako-chan and it was this really bratty, tough rabbit but whenever I took it for a walk and a car would pass by, it would jump up into my arms. So the image is that of the rabbit, that in times of danger it can't help but seek a comforting touch. In "You're my Love Prize in Viewfinder" I had fun drawing the part where Takaba escapes (from the roof)...and how he clings to the store signs. The S & M part was fun too. *laughs*

The meeting of the two men, and what fate awaits Akihito —?!

Key points to the future of this story

STORY 「ファインダー」の標的

The MO disc that Akihito carries

YOU'RE MY PRIZE...

Akihito meets Asami after stalking out at the high class club, Club Sion in Shinjuku to get a scoop on a certain lawyer. Akihito manages to escape once from Asami, who questions him on where the information came from. However, what happens to Akihito, when he finds himself again in Asami's grasp...?

STORY FIXER

Trying to get a scoop, Akihito sneaks his way into a politician's party. Out in the hotel's back alley, Akihito stumbles upon a man being chased by foreigners, but the man is wounded and he leaves Akihito with a MO disc and instructions to pass it on to Asami. The Balise has captured Akihito in order to obtain the information on the MO disc...?

Key Points For The Future Stories: The disc that Akihito holds... The disc has passed on to Asami from Akihito, but in actuality, Akihito has taken out most of the information that was on the disc. What was the information that was extracted...? And what is this organization that has begun to move in order to obtain this information...?

I am here at Akihito's apartment! Wow, you have a darkroom in your apartment! So you do your work here as well.

— Ok, first off, tell us how you decided to become a photographer!

Well, I've had a connection with cameras since I was a kid. My dad is a photographer. It's probably his influence that I love cameras so much. But, I sort of became a delinquent...so I bet my dad didn't think I'd become a serious photographer. 'laughs' I'm still just a rookie, but even from when I was a delinquent, I would take pictures of my friends and they would tell me that my pictures were a 'better quality' and that would make me so happy! So I figured, this ought to be my dream profession!

— You've taken photos of weddings, chased after politicians, so many different jobs. What's the general job description?

Shhhhhh! I can't tell I've got lots of secret information so I can't say things here. Even among my colleagues, there are many who are undertaking dangerous jobs. Oh, make sure you blur-out my face! 'laughs' But I also get some magazine photo-shoot jobs through acquaintances so I'm not always chasing after some old-dude's ass.

— So how much does a photographer earn?

Hmm, well it depends on the job, but it's awesome when I get a big job and bam! But... that's rare... the worst was when I did a stake-out for about a month and didn't even earn anything for it...

— I see... then tell us about your camera equipment!

Well, cameras cost quite a lot. There are some professional ones that cost about as much as a car. See? Check out this camera! I've always wanted it, and so I splurged and got it!

It's the best! But it was expensive—I just for the lens, it was about 100,000 yen (\$1,000). I ate only bread for about a month! Oh, if you wish, I'll take pictures for an Omiai (arranged marriage) or anything! 'laughs'

INTERVIEW!

— As a photographer, what do you wish to achieve in the future? A photo collection book? Or a photography award?

Well of course it'd be nice to have something solid to show for all the work, but it'd be awesome to be like my dad and go around the world and take photos of everything! Oh, but this'll be after I've gotten old. For now, I want to get that huge scoop. You see, I'm more of an event/news photographer.

— Akihito-san, you seem at first to be quite casual, but you actually care quite a lot about hairstyles and clothes, right?

..hmm?... really? He he he ^.^ You can see that? In actuality, I'm hooked on vintage jeans. I don't wear them when I work... they'll most definitely np 'laughs' My hair too, I change it to a point that it doesn't get bothersome. And I go to get it dyed once a month.

— We've heard that you love to wear boxers and boxer-briefs! Tell us what underwear you're wearing right now!

What the heck... is this sexual harassment? It's a secret, ok? ...a secret. What am I wearing today...? Oh crap! It's one with a really weird design...!

— And finally, a word to you fans!

It's kind of embarrassing but... Thanks for rooting me on! Please continue to look forward to my future adventures. 'laughs'

Yamane Sensei Speaks!! -Asami Ryuichi Version-

■ The Origin of the Character's Name

I named him "Ryuichi" from a character image...
he looks like a "Ryuichi"! I usually tend to name a
character based on their image. They say a name
says it all *laughs*.

■ Favorite Scene

In "You're my Love Prize", I had fun drawing him
coming to save Takaba when the latter had a gun
pointed at him by the cop.
I also liked the part where he's basking in the sunset
and ruffles Akihito's hair.

A man with many mysteries... his true self is...?!

STORY ボディチェイス BODY CHASE

A shooting has occurred within the city. The cop tracing the gun's origin hears one man's name...that man is Asami. In an attempt to find a way to get closer to Asami, the cop approaches Akihito. At first the cop is suspicious of Akihito, but in getting closer to him, the cop invites Akihito to a high-class club. However, that club is none other than Asami's Club Sion...

The rumor is that in Hong Kong, Asami controls all underground routes to Japan...

Asami from the cop's point of view. Even to the police, Asami is well known.

Inner Face

Even at a politician's party, his recognition is apparent.

His work finishes at... get this...3 am?!

Outer Face

He owns a high class club whose guests include many top members of society.

Even when he's traveling he's in meetings. He always rides in luxury cars.

— This is a high class club located in Club Sion.

— "bumps into someone coming around the corner" Owwww?! H, hey, Akihito-san! Thanks for the interview yesterday! What a coincidence to meet you here! Oh...could you have come to see Asami-san? Oh, hey! That's the back exit! Are you going home? Akihito-waaaaaah! I wonder what's wrong... he seems to be pressing on his backside and is unsteady on his legs... oh! And Asami-san has just come out of the door towards the back!

— Asami-san! Congratulations on getting first place in the character popularity rankings! ...I didn't think he'd actually sneak into here... that guy... so typical of him... so cute in his attempts... 'smirks'

— Hub? ("That Guy"? Does he mean Akihito-san just now?) Ummmm... we'd like to know how you've become so popular with the readers. I like those eyes that glare at me... makes me feel so uncontrollable 'evil smirk'

— (He's not listening at all) Ummm... it smells quite nice, do you have a favorite cologne? ... to think I have come all the way down here to deal with that little brat... such a stupid story...

— ? (Asami-san hasn't answered a single question. Oh! He's started to smoke a cigarette!) Asami-san, what do you usually smoke? ... Dunhill...

Today, Asami-san is quite casual with no necktie... that open shirt is so sexy-I

— (He finally answered!) By the way, this club...

there seems to be even people we've seen on television... hey, isn't that that Politician xxxxx-san? 'gets glared at by the bodyguard standing behind Asami'ummm... Club Sion is a club for mature adults only, correct? 'smirks' ... yes... it's no place for a kid, it's an adult's social place. He must now realize that this is no place for an ignorant kid like him. 'evil laugh'

— Other than being the owner of clubs such as these, what other work do you do? I have about 13 similar clubs throughout the city. Some are more casual and cater to women... please come by sometime.

— (That's not what I wanted to know - is he changing the subject? Fine. I'll ask him straight out!) Asami-san, I've heard that while your base is in Tokyo, you also travel around the world for your work!

— (Asami's eyes narrow)

— Before you settled in Tokyo, what did you do? There's nothing that you could know that'll amuse you.

— (The atmosphere of the room is getting scary- I've gotta change the subject!) Well then, please tell us what type of women you like! I notice 'strong' women...

— And finally, please give a word to your fans! I shall welcome you anytime, I await you with gates wide open.

(Geez! He keeps avoiding the subject! And he keeps talking about Akihito-san and that bodyguard of his is scary-! Time to go!)

Yamane Sensei Speaks!! -Liu Fei Long Version-

■ About Fei Long

Despite his troubled past, I wanted him to be a strong person. Have his pride as a man...and ambitions... without having time to dwell on things. After all, it's a brutal world. I wanted to draw him as a proud man who kills his emotions, but whose emotions start to stir once he meets Asami.

■ Favorite Scene

The scene in "Flower of the High Loft" where Asami and Fei Long are sitting side by side drinking at a bar...it's a very mature and adult atmosphere. I also enjoyed drawing the part in the rain where Asami cradles Fei Long in his arms. Also, it's not a scene but, it was fun drawing his hair cascading on the floor, and drawing his Chinese clothes.

The beautiful man who carries a heavy fate! What is his past...?!

STORY 高樓の華

FLOWER ON THE HIGH LOFT

Fai Long, who is the leader of the Hong Kong Mafia group "Baishu", meets Asami again in Japan. From that day on, his past connections with Asami come back to dwell in his heart again — That was 7 years ago, that meeting with Asami drastically changed Fai Long's destiny.

Until then, it was expected that Fai Long obeyed his brother.

1. Fai Long falls after being shot!

Fai Long gets cornered by his brother. Asami gets injured protecting Fai Long. Perhaps Asami's future would have been different if it wasn't for this wound...!

His meeting with Asami. From here on, Fai Long begins to change.

Fai Long believes that Asami killed both his father and brother. The truth is...!

Fai Long remembering his past. This face is quite peaceful.

Set right after "FIXER" and Fai Long has returned to Hong Kong.

— So tell us of your recent events, Fai Long-san.

Well, I had a bit of trouble in Japan... One of my foolish subordinates had gotten antsy. I really didn't have to go down there myself but...

— Is there a place in Japan that you like?

I'm not very familiar with Japan... If I had to name a place, then I'd be interested in old temples, etc; ... I like the types of landscapes that remind us of history. Well, China's historical landscapes are just as beautiful but...

— What places in Hong Kong do you recommend?

The night view from the top floor of my headquarters is quite beautiful...

— Your hair is so beautiful. Do you do any kind of special treatments?

This hair... I only grow it because my father complimented it long ago... I don't particularly do any kind of special treatments but, I do use a special comb to brush it.

— You're wearing some lovely Chinese clothes today. Which do you prefer more, suits or Chinese clothes?

Of course, Chinese clothes fit me more comfortably...suits make me feel too uptight...I don't really like them.

— Since you became the leader of the "Baishu" at a young age, you must be very busy. But if you had a day off, what would you do?

Hmmm...I would probably go to the Art Gallery and look at all the art places... does that seem boring? Well, in my case, if I did have a day off, I'd spend it reading books.

"Tao barges into the room"

Fai-sama!

Welcome home!

Oh, you have a visitor! Pleased to meet you. I'm Tao!

— Tao-kun?! Pleased to meet you! How would you describe Fai Long-san, Tao-kun?

Fai-sama? Fai-sama is an amazing person, skilled in many things! He speaks many foreign languages, and is the strongest person I know when it comes to Kung-Fu! Everyone else in the organization thinks Fai-sama...Fai Long-sama is a bit scary, but he's always very kind to me!

— Tao-kun really likes Fai Long-san, huh? By the way, please tell us what type of women Fai Long-san likes?

Fai-sama...is there a lady that you like?

She's just hypothetically speaking... What's wrong, Tao? Why are you sulking?

— Finally, a word for our fans!

I have very few appearances, but to those that think of me, I thank you.
